Bold styling with relaxed feather filled seats for laid back living. Available in a variety of natural leathers.

Sofas are hand crafted and made to order from the finest materials, sourced from around the world. Our leathers are natural, have character and age beautifully. All our wood comes from sustainable forests and fillings are super soft, mixing feather, foam and fibre.

We test to the highest British standards, (including our own A&J bottom test!)

Insanely comfortable sofas. Unwind - British style...
