

# CASHMERE SUPERIOR ORTHOPOCKET

The double layer of individually nested pocket springs along with the firmer tension spring around the perimeter provides the ultimate level of support offered in a mattress.

## MATTRESS FEATURES

### Pocketed Springs encased in foam

2200 In a 150cm x 200cm mattress. Pocketed springs shape perfectly to individual body contours due to each spring having its own independent action. The upper layer of springs shape to the body contours while the lower layer absorbs changes in weight distribution for the ultimate in comfort and support.

### Firm perimeter support

Adds strength to the edge of the mattress to allow you to use the whole surface of the mattress as a sleeping area.

### Spring tension

Available in one tension only.

### Soft white fibre

A dust free filling providing softness and resilience.

### Cotton blend

The combination of soft white fibre is formed into a deep layer for guaranteed quality and softness.

### Lambswool layer

Lambswool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

### Cashmere and Silk Layer

The softest cashmere hair and finest silk fibres blended into a durable insulation layer, providing a luxurious feel.

### Resilient foam

Provides a resilient and supportive surface feel.

### 4 Rows of side stitching

Extends the sleeping area to the mattress edge by supporting the mattress walls.

### Traditionally tufted with wool tufts

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

### Handles and silver vents

Handles are attached with flag stitching for strength so that the mattress can be moved easily. Silver vents and ventilation holes are incorporated into the handles to allow the mattress to breathe.

### 5 Year guarantee

For your peace of mind, relyon offer a 5 year guarantee on all mattresses purchased with a divan base.
