To ensure durability our products are made from a combination of selected solid wood and veneered panels. A characteristic of wood are its natural imperfections such as small knots, cracks, blemishes and slight colour variation. These features are a natural part of any real wood product and make each piece of furniture unique. Our policy is one of continual improvement. We therefore reserve the right to alter designs, dimensions, availability and price without prior notice. All dimensions in this brochure are believed to be correct at the time of printing, but may subsequently vary. Imperial measurements are rounded to the nearest quarter or half inch, and metric measurements are rounded to the nearest 5 or 10mm. Colours are as accurate as the printing process allows.

All copyright, design rights and other intellectual property rights in our products and designs are and remain the property of Corndell Quality Furniture Ltd.
