Malvern Fabric 3 Seater in Lydia Blush

Malvern Leather in Capri Pearl

Launched at the January Furniture Show, the latest evolution of the much loved Malvern offers all the comfort of the current model with a fresh look for 2017. Showcased in Lydia Blush fabric and Capri Pearl leather, a range of updates ensure Malvern will continue to be a commercial success.

Key changes included new seat fillings in interchangeable cushions and alongside styling refinements such as removing the seam on the front of the seat cushion and side of the arm pad. A two-cushion three-seater option was introduced for a more contemporary look.
