

Kingsbury 5' King size Bed Frame: Fabric 1: Indulgence Grape

British Design &
Manufacturing

So, what's this bed made of?

Well, firstly and most importantly, it's been hand made in Great Britain. So you know it's the real deal.

All of our beds are manufactured using the same traditional methods, this results in a product of genuine quality...

Frame

All wood used is carefully selected from some of the finest managed sources in Europe.

Slatted Base

All wooden slats are pre assembled for you, so that means you don't need to spend hours constructing them yourself! The frame is made of powder coated steel, with sprung beech wood slats, and has a central support rail for added stability.

Feet

Made up of solid wood in a choice of 5 coloured finishes.

The Perfect Height

All beds have been designed with your ultimate comfort in mind. The slatted frame sits on adjustable brackets meaning you can customise your bed to the sleeping height of your preference.

The Perfect Choice

If you are reading this right now, it means you have great taste! And to satisfy that taste of yours, we want to give you plenty of choice. There is a fantastic range of different fabrics that you can choose from. Whether you are after moody tones or natural shades, you'll find it all right here.

The Perfect Look

Once you have chosen the fabric for your bed, feel free to express yourself a little with the occasional items. You can use any of these fabrics on whichever occasional item you like. You can match it up by going for the same, or indulge the designer in you by choosing a completely different colour and texture. It's up to you, create the look that you've always wanted.
